450 m² to 600 m², located on spacious plots from 700 m² to 2500 m².

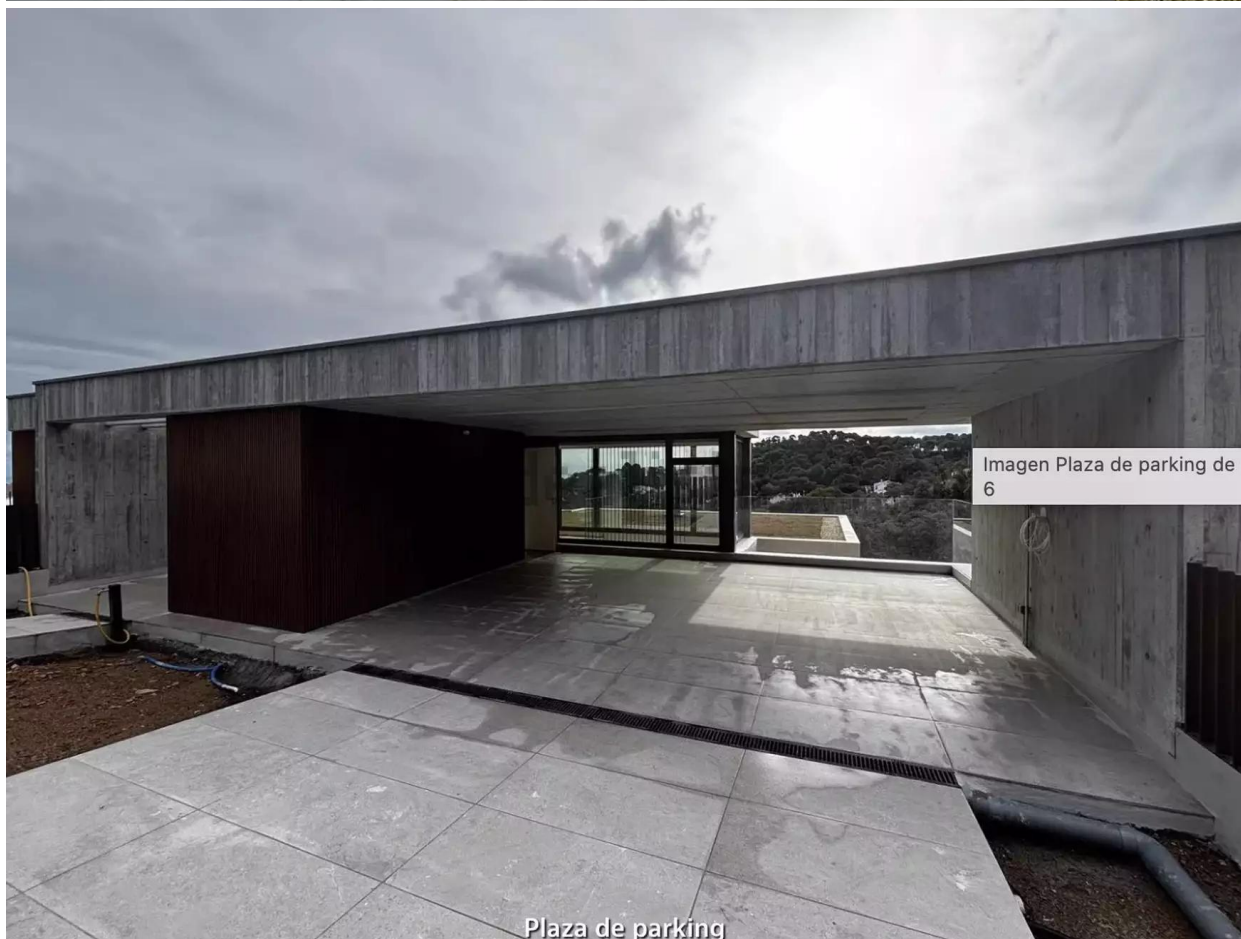

Each residence has been meticulously designed across four floors, ensuring a comfortable and exclusive lifestyle. The access floor features a private parking area for two vehicles. The night floor is dedicated to the bedrooms, while the day floor includes the kitchen, dining area, and a covered terrace, perfect for enjoying the natural surroundings. A versatile basement provides adaptable space that can be used as a cinema room, wine cellar, gym, or studio, in addition to offering extra storage.

The homes at Sa Xelida are built with high-quality materials, harmoniously blending with the environment and creating cozy and elegant spaces. From flooring and finishes to furnishings and technology, every detail has been crafted to maximize family well-being and daily comfort. More than a home, Sa Xelida is a unique living experience.

The price indicated does not include taxes or fees (TVA, registration fees, notary fees, registration fees). The informations and surfaces are not given as titre indicatif.
